

## Parking

We recommend that you park in the Parking Garage for easiest access to the Cancer Center. There is no fee to park.

**CANCER CENTER PARKING:** A limited number of regular and accessible parking spaces are available in the small lot near the Cancer Center entrance. This lot is between the Parking Garage and the Emergency entrance.

**INPATIENT (1 WEST) VISITOR PARKING:** Follow signs to North Entrance Visitor Parking when visiting patients on 1 West.

**ACCESSIBLE PARKING:** Accessible parking spaces and wheelchairs are available at all entrances. To protect your safety, we discourage the use of wheelchairs in the parking garage.
