

ARE YOU GOING TO FRY THIS SUMMER?

MY UV RAYS YEARN TO BURN
WRINKLED OR WORSE YOUR SKIN WILL TURN

PROTECTED FROM RAYS
A AND B, HEALTHY SKIN YOU WILL SEE

ONE MORE THING I HAVE TO SAY:
TANNING BOOTHS DO MORE DAMAGE
THAN I, ANY DAY

PROTECT YOURSELF! HERES THE WAY:

☀️ WEAR A HAT, PROTECTIVE CLOTHING, AND
SUNSCREEN

☀️ HAVE A GREAT TIME OUTSIDE, BUT REMEMBER:
TAKE CARE OF THE SKIN YOU'RE IN!
-EL SOL

More middle school students who protect themselves from too much sun say that THEIR PARENTS

- ☀️ tell them to wear sunscreen regularly
- ☀️ wear sunscreen themselves most of the time
- ☀️ don't try to get a tan or use tanning booths
- ☀️ remind them to wear hats, sunglasses, etc.
